Experience

Legal Counsel – Venture Capital & AI Training

- Developed and evaluated legal rubrics for AI training aligned with VC industry standards.
- Drafted, reviewed, and annotated term sheets, SAFEs, Stock Purchase Agreements, Convertible Notes to train and validate AI models.
- Provided structured feedback to enhance AI comprehension of venture capital and startup financing matters.
- Translated complex legal and financial concepts into accessible content for AI learning modules.
- Collaborated with product and engineering teams to fine-tune model performance.
- Monitored, documented, and improved AI output quality, ensuring legal accuracy.
- Stayed current on industry trends to keep training modules aligned with evolving best practices.

Associate – Corporate & VC Transactions

- Negotiated and drafted financing documents for Seed to Series C equity rounds.
- Advised startups and VC funds on shareholder agreements, investor rights, and governance.
- Guided clients on cap tables, dilution, and valuation mechanics.
- Supported M&A and cross-border financings, including Delaware corporate law matters.
